◆ **Community Missions Announcement**

The Community Meals group is grateful for congregational support in providing baked goods for our monthly meals, as well as to those who plan, prepare, cook, and package the meals. We have been fortunate in having a consistently healthy balance in our Community Missions Account. When we first began, we prepared and served between 40 and 60 guests, and packaged around 20 take-out orders. Monthly meal costs usually totalled between \$200 and \$250. As you are aware, grocery costs have increased. As well, although we are not serving customers in the building, we now prepare and package 200 plus meals. The cost of a meal has risen to between \$450 and \$550. We are asking for donations to our Community Missions/Meals project, so that we can continue to fill this increasing need in our community.

Donations can be made —

1. by e-transfer (with a note “Community Missions”)
2. by cheque, in a donation envelope for the collection plate (“Community Missions” in the subject line)

◆ **Question ?????** Does anyone know where the NLUMC time capsule is? Please let Susan, in the church office, know of its whereabouts.

◆ **Donations to NLUMC**

▶ Have you considered increasing your automatic transfer donation amount?
▶ Your donations to NLUMC can also be offered through Abundance Canada if your family is setting up a Gifting Fund through charitable stocks and bonds in-kind. Visit <https://abundance.ca>
