Meat Canner Leamington, 19th Annual Canning Project passed inspection! Our canned chicken has successfully passed the incubation period. The cans are currently in Plum Coulee, Manitoba awaiting shipping directions from Mennonite Central Committee. We've also reached our goal! We have received sufficient donations to cover the cost of canning this year. The 2018 Leamington Meat Canner committee would like to thank this extremely generous community for their support. Your prayers, financial support, time and effort have made this worthy project a success once again. *Together We Can.*
